

Hypercom - T7Plus

DESCRIPTION:

The Hypercom T7Plus is designed for merchants requiring a compact countertop POS terminal which accepts all magnetic stripe cards and delivers fast, online transaction authorizations. With its 35 or 19-key configuration, it initiates daily functions and transactions with one simple step.

The T7Plus is customizable, the first of its kind to offer bi-lingual screen displays. Big 5 Chinese and English can be shown simultaneously, meeting the needs of Chinese-speaking merchants and cashiers.

CERTIFICATIONS:

- PED Certified
- EMV approved
- All major certifications
